Garden Collection

Woodland Memorial Orbs

Crafted from sustainable woodland timber and sourced from natural windfall in woodland locations nationwide, each orb is unique, providing an original memorial.

As the orb becomes established within the garden it will become home to mosses and insects, contributing to the wildlife and health of the environment.

The woodland memorial orbs can hold from one to four sets of cremated remains. The cremated remains are placed into a special steel casket which is then placed within the orb. Each orb comes with a granite memorial plaque to which a gold leaf inscription can be added for your personal tributes.
